1
Wall construction
frame
Acreage approx 5 acres

4. Historical Significance (Chain of Title, Families and Events, etc., connected with the property)

5. Architectural Significance (Note interesting interior and exterior details, etc., cite significant alterations and additions)

A one story hall parlor plan structure with a later center hall plan salt box addition on the west side, the house on rt 625 was probably built around 1800. The original building was constructed on english bond foundations with three course American bond stacks with rough double weatherings, whilt the shed addition was built on three course American bond foundations with simarlarly bonded chimneys. The original siding has been replaced and the windows reglazed.
